Calibre Frontend

Company.

Dear Sir/Ma,

I write to express my interest in the job posted on your website for an experienced, detailed-oriented, front-end web developer. As you'll see, I have two years of hands-on experience efficiently coding websites and applications using modern HTML, CSS, and JavaScript.

Building state-of-the-art, easy to use, user-friendly websites and applications is truly a passion of mine and I am confident I would be an excellent addition to your organization. In addition to my knowledge base, I actively seek out new technologies and stay up-to-date on industry trends and advancements. I have attached a copy of my resume detailing my experience, along with links to websites and applications I've had the honor of working on.

Thank you for your time and consideration. I look forward to speaking with you about this opportunity.

Sincerely,

Christian Chiemela O
